October 2023

Message From our President

Hi to all members of the Mother Lode Model T Club:

As we are getting ready to go out *Trick or Treating*, you can feel a change in the weather with cool nights and mild days, we need to think about our Fall Tour, which is usually the last tour of the year. We do still need someone to chair this event. Don't be bashful, give Susie a call and let her know you are ready to host this popular event. The next event coming up will be September 30, a short tour and social event at Elaine and Vern Marriotts home.

Next day, on October 1, we have the Old Auburn Cemetery car display. We have five cars staged at different plots throughout the cemetery grounds. This is always a very interesting and fun day. This event is presented by the Placer County Museums and the Placer County Docent Guild. The Ryan Ramble is coming up from October 11 to October 15 which is centered this year in the Cayucos area of California.

We had a board meeting September 25 in which the main topic was the 2024 board members and the 2023 donations. If you are interested in being a board member, please call myself or any existing board member. For donations, we will give to the Auburn Fire Department, the Women's Assistance League and CAM. If any members have any questions or concerns on these donations, please give myself or any board member a call to share your concerns.

We will not have an October Board Meeting. Susie and I will miss the October General Meeting due to conflicting dates with the Ryan Ramble. John Saylor will be filling in for me at the October Meeting.

I would like to thank everyone for all your support and help in keeping the Mother Lode Model T Club active and look forward to having everyone attend the October monthly meeting.

Your President, *Gary Krezman*
